Smithfield® POWER BITES

SATISFY CONSUMERS SNACK CRAVINGS FOR A PROTEIN-RICH PICK-ME-UP!

More than half of consumers (52%) find high-protein snacks appealing (Technomic), and operators are scrambling to meet this demand. That's why Smithfield created revolutionary new Power Bites, the convenient, fully cooked, just heat-and-eat sausage, egg, cheese and potato finger food in a portable, pop-in-your-mouth nugget.

Our Homestyle flavor features classic breakfast tastes and can be prepared in a variety of quick-and-easy methods. Power Bites are the perfect grab 'n' go breakfast, or a satisfying snack whenever a protein lift is needed.

New formula features 26% reduced sodium, but same great taste!
