INTRODUCING:

HERSCHEL'S FAMOUS 34

Teaming up with Herschel Walker to develop a chicken program that meets the WAM retailers needs for an easy to implementing wing/ boneless/ tender/ breast program that is fully cooked, superior quality and fits the consumers need for “grab’n go”!!

Who is Renaissance Man?

- Renaissance Man Food Services is a certified minority-owned food company, headed by Herschel Walker, with offices in Siloam Springs, Arkansas and Dublin, Georgia.
- Originally founded by Herschel Walker in 2002
- RMFS is a minority-owned and operated business having been certified as a minority business enterprise by affiliates of the National Minority Supplier Development Council.

Herschel Walker passion for football carried over into his passion for providing high quality chicken products that exceeds the consumers expectations for “convenience chicken”. WAM and your distributor have team up with Renaissance Man Foods to provide you a program that will exceed your expectations for “convenience foods”. Driven to provide only the best, RMF has made every effort to make your store the “go to” chicken stop in the neighborhood!
