- Airtight system eliminates product degradation due to exposure
- Easy to clean
- Snap-in lid resists tampering
- NSF listed (national Sanitation Foundation)
- Includes 1 Year Warranty on individual parts

### FAQs

**How long do I have to use all the product?**  
Once you pierce the bag with the pump, the product is shelf-stable for 14 days. Putting it in the walk-in does not prolong the life of the product.

**What is the amount dispensed - and how many pumps are dispensed per bag?**  
Each 1.5 gallon pouch provides 250 - 300 pumps of product. Essentially this means that you would need to be able to use 25% - 30% of product within a 14-day time period.

**How do I assemble and clean the Keystone dispenser?**  
YouTube video available by searching Assembly and Cleaning of the Heinz Keystone Dispensers.

**How big are the dispensers?**  
1.5 gallon Dispenser Dimensions: 6" W x 12" x 18.25" H  
75 gallon Dispenser Dimensions: 6" W x 12" x 18.25" H  
Height to nozzle is 10.5"

Only use Heinz Dispenser Pump Products. All other products may damage the unit. Use of non-Heinz Dispenser Pump Products voids all warranties and Heinz is not liable for any resulting damage.
